Paula,

Can you please grant access to Karen Black? She is the CB&I GIS specialist that is supporting this project.

Thank you,

David

All – You have been assigned access to the Upper Animas Site Viewer (GIS) by our GIC folks. At this time, they are not allowing unrestricted access so others in your organization can not access it unless I request additional permissions. If you have any questions, please let me know and I will attempt to get an answer for you. Thanks.

All,

You have been provided access to the Upper Animas Site Viewer. Your username and password are your first initial last name in all lower case. For example, Joe Smith would have a username of jsmith and a password of jsmith.
